MEMORANDUM FOR THE RECORD

25X1A

[] has been invited to join a group known as the Intelligence Panel which is sponsored by the Institute of Politics of Harvard University. The Panel is chaired by Frank Lindsey. Others serving on the Panel include: Professor Graham Allison, Professor Bareeda, Mr. Bator, Morton Halpern, Mr. Hyma, Milton Katz, Professor Ernest May, General Robert Persely, Walter Slocomb, Jonathan Moore and Bill Casey.

25X1A

Some members of the Panel have had one meeting with Bill Miller and Senator Mathias of the Senate Select Committee and plan to meet each Monday with the aim of filing a report by the end of December. According to [] this Panel has written previous reports and was not set up at the instigation of the SSC but will presumably make its findings available to the committee.

25X1A

[] offered to furnish further details after the meeting on 17 November 1975 and wondered if the Agency wanted to make an input either through him or through some other means.

Since the SSC is seeking advice on major issues on many fronts, there may be nothing mysterious in this. We plan to raise it quietly with Bill Miller at an appropriate occasion.
